OPTIONS - Check mark boxes for desired options

- Torsion axle**
3,500lb. rated, adjustable height, removable spindal, superior ride----- \$350.00

- Custom Storage box**
Tongue mount storage box, custom trapezoid shape ----- \$349.00
made to fit tongue, Chrome T-handle, lockable

- Electric Brakes**
10" drum brakes, wires thru frame ----- \$ 375.00

- Spare tire and mount**
Full size spare (same as trailer) with a heavy-duty mount ----- \$449.00
welded to trailer located at the tongue area and
positioned vertical.

- Tail-Gate**
Great for loading quads or heavy equipment, equipped with ----- \$195.00
dual spring loaded latches and detachable cable

- Swivel coupler**
360° ROTATION & THREE AXIS OF MOVEMENT ----- \$249.00
This eliminates twisting damage to vehicle & trailer frames caused by sudden changes in
vehicle-trailer orientation while on a construction site, farm, or off-roading. Quickly
adapts to the trailers interchangeable coupling system.

- Pintel Eye coupler**
Standard 3"eye Pintel commonly used by farmers and military. ----- \$250.00
Mounted on a 4 hole adjustable channel and quickly adapts to
the trailers interchangeable coupling system.

- Spare spindal/hub assembly**
For torsion axles only. Great for emergencies, comes complete ----- \$199.00
with trailing arm, inner/outer bearings, grease seal and hub, fully assembled,
quickly replace your damaged spindal with just one bolt

- Trailer Lid** Polished aluminum diamond plate skin, lockable, removes easily
Coming soon
